Estimator

Kamran and Company, Inc. – Santa Barbara, CA

Summary of Position:

Estimator for a Food Service Equipment contractor to work directly under our Senior Estimator to present project estimate for mid to large size construction projects. Attention to detail and strong verbal/written communication skills are required.

Roles and Responsibilities:

The Estimator takes direction from the Senior Estimator to complete the following tasks as assigned:

- Prepares work to be estimated by gathering proposals, blueprints, specifications, and related documents.
- Identifies labor, material, and time requirements by studying proposals, blueprints, specifications, and related documents.
- Following up on requested quote proposals.
- Resolves discrepancies by collecting and analyzing information.
- Presents prepared estimate by assembling and displaying numerical and descriptive information.
- Maintains cost data base by entering and backing up data.
- Contributes to team effort by accomplishing related results as needed.
- Report and escalate to management as needed

Skills and Qualifications:

- Excellent client-facing and internal communication skills
- Excellent written and verbal communication skills
- Accurate mathematical skills
- Solid organizational skills including attention to detail and multitasking skills
- Strong working knowledge of Microsoft Office. Specifically, Microsoft Excel and Microsoft Word.
- Knowledge of commercial kitchen equipment is not required but is a plus.

Job-Type: Full-Time

Education:

Associates or Bachelor's degree
